

TRAFIL SUD

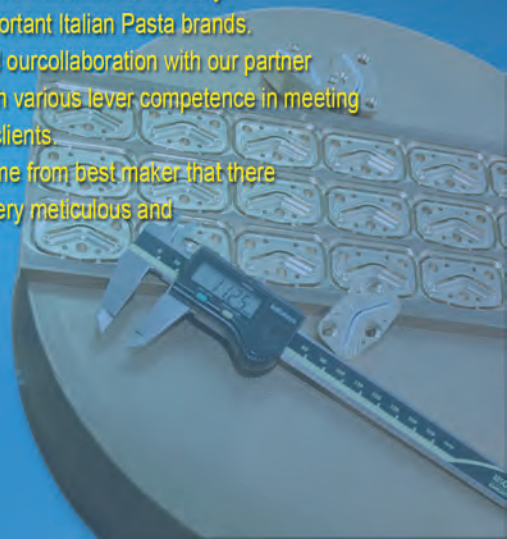

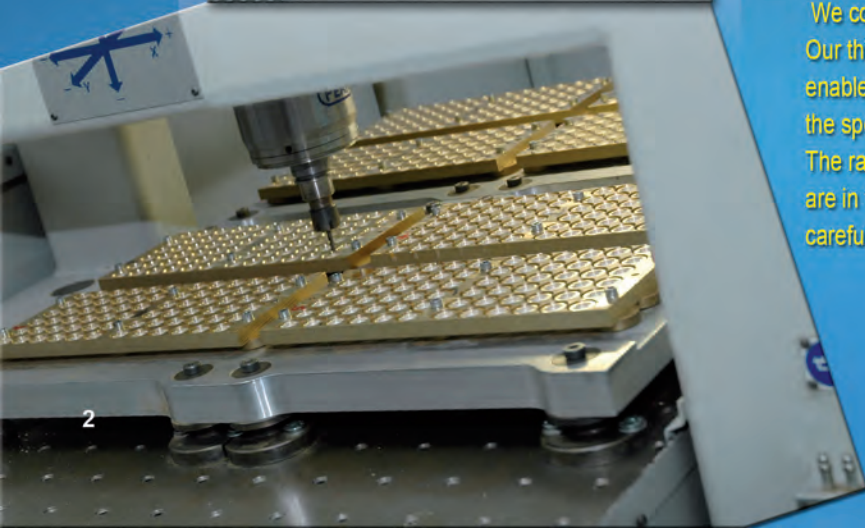

TRAFILE - DIES

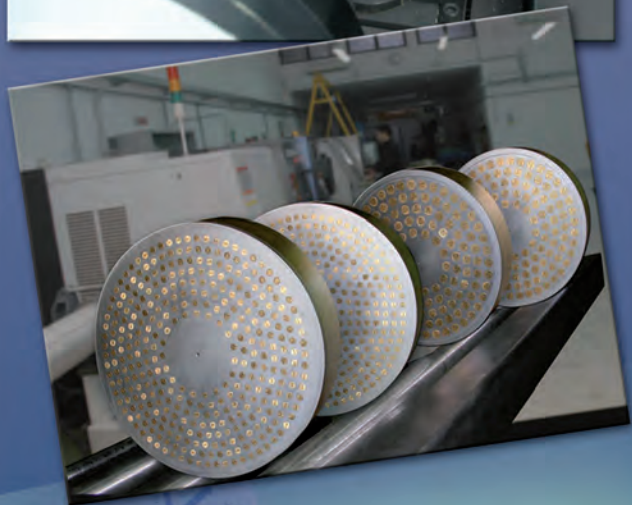

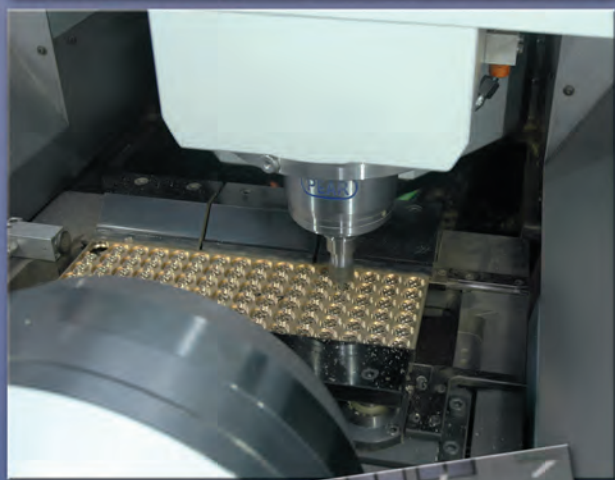

Castellammare di Stabia - Naples - Italy

Trafil Sud srl was founded in the early 80's. It was since developed at an evolutionary rate of growth but was never ignored the basic values of efficacy, maximum flexibility and efficiency. We comply to every need of individual producers. In our company we have specialized technology and our staff are very careful to supervise the total production process. Thanks to constant attention, responsibility and dedication to our work, the Trafil Sud srl is one of the most efficient in the industry. We collaborate with the most important Italian Pasta brands. Our thirty-years of experience and our collaboration with our partner enable our company to offer a high various level competence in meeting the specialized and needs of our clients. The raw materials that we use come from best maker that there are in the market now. They are very meticulous and careful in quality control.

La **TRAFIL SUD** s.r.l. nasce nei primi anni '80 e da allora ha sviluppato un processo evolutivo di crescita senza mai trascurare i principi che l'hanno sempre contraddistinta nel mercato, quali efficacia, flessibilità ed efficienza nel rispondere al meglio alle varie esigenze dei singoli produttori.

L'attenzione costante, l'impegno e la dedizione al nostro lavoro, hanno fatto sì che sviluppassimo all'interno della nostra azienda, una tecnologia altamente qualificata formando continuamente il nostro personale alla scrupolosità nel monitorare costantemente l'intero processo produttivo ed è per questo che la nostra azienda è una delle più efficienti nel settore collaborando con marchi altamente qualificati sul mercato. L'esperienza trentennale del nostro personale e la stretta collaborazione con i nostri partner ha fatto sì che la TRAFIL SUD s.r.l. acquisisse una forte competenza in grado di dare tempestivamente risposte alle varie esigenze.

Le nostre materie prime sono altamente selezionate e provenienti dai migliori produttori attualmente sul mercato, rigorosamente scrupolosi nel controllo qualitativo.

* Le misure riportate a fianco di ogni singolo formato sono riferite alle dimensioni del foro di uscita della trafila, pertanto va considerato il ritiro della pasta in fase di essiccazione, che è soggettivo per ogni pastificio.

The measures indicated near each format are referred to the size of the exit hole of the die, so you have to consider the shrinkage of the Pasta in the drying stage. This phase is subjective for each Pasta Factory.
